

I strongly urge you to not impliment a weaker version of the telephone privacy issue. The Indiana version of this law is wonderful and to impliment a federal version with any LESS protection than the Indiana version is defeating the purpose of the whole issue.

Before I got on the DON'T CALL list thru the Indiana State Attorney General Office, I was receiving COUNTLESS telemarketing and solicitation calls and it was not only annoying but it infringed upon my rights as a private citizen to enjoy my home life without annoying interuptions buy people and companies selling products and services that I was not interested in or in soliciting donations for every type of legitimate and non legitimate cause that was to be thought of. As a consumer and a purchaser of telephone services, I chose to utilize the phone service for my purposes, not those of someone who is calling to sell or solicite. It is my dollar I am spending for phone services and until they (the telemarkets/solicitors) all begin to pay my phone bill, they do not have the right to invade my life with these calls. I STRONGLY URGE YOU TO MAKE THE FEDERAL VERSION OF THIS TELEPHONE LEGISLATION STRONGER NOT WEAKER>>>DON'T ALLOW BUSINESS AND CHARITY TO INVADE MY PRIVACY WHEN I AM PAYING THE BILL FOR THE TELEPHONE SERVICES I RECEIVE. THANK YOU SO MUCH FOR TAKING THE TIME TO CONSIDER THIS REQUEST. I URGE YOU TO TAKE A LOOK AT THE INDIANA DON'T CALL LIST AS A MODEL FOR ANY IMPLIMENTATIONS YOU CONSIDER. IT WORKS! AND I APPRECIATE THE DIFFERENCE IT HAS MADE IN MY LIFE. THANKS, AGAIN FOR HEARING MY POSITION ON THIS ISSUE.
